

# Missouri Animal Control Association Membership and Renewal Form

*Join the Organization dedicated to improving animal welfare in the State of Missouri.*

The Missouri Animal Control Association (MACA) was founded in 1977 to provide training, education and support for animal welfare professionals.

Our members share the common goal of improving the welfare of animals through public education, enforcement of laws and legislation. MACA provides access to training and networking for its members.

With your paid individual MACA membership you will have voting privileges for all general member votes, you will be eligible to serve on the MACA Board of Directors, and you will have access to our “MACA Members Only” Facebook group. Paid MACA members are also eligible to apply for MACA training scholarships, and to receive discounted MACA member pricing for Mini-MACA Training and MACA Annual Conference Training.

MACA is also an Affiliated State Association Partner with the National Animal Care and Control Association (NACA). This gives you access to even more benefits through NACA including being eligible for a discounted NACA individual membership.

To make the most of your membership, we encourage you to become involved in MACA and let your voice be heard to help improve the welfare of animals through, education, law enforcement, and legislation.

The training and credentials you receive from MACA will add to the professionalism that you take to work every day.

MACA Individual membership dues- \$20
